### WHATS NEW

We are still doing our barge service here at NBL Marine Inc. We will still be delivering all of our new lifts with our pontoon barge. We will also pick up trades with it, move docks and lifts for customers who relocate, and haul customer lifts to our shop to store for the winter. The second item we've recently expanded our Pontoon Rental fleet to 6 along with our fishing boat. With increased inquiries, we encourage you to call early to book your requested date(s). Holiday weeks/weekends are already filling up fast. More information for both services can be found on our website at: [www.nblmarineinc.com](http://www.nblmarineinc.com)

### DOCK-RITE DOCKS/LIFTS

This will be our 2nd year as Battle Lake areas Dock-Rite dock and boat lift dealer. As usual, we will be selling at the "Spring Discount Price" through the end of April. Please stop and see us if you are in need of a new dock and lift. We are a knowledgeable dealership with many years of experience in dock and lift sales and installation.

### MECHANIC SERVICES

From basic tune-ups to complete engine overhauls we have the experience & equipment to handle it all. Please let us know as soon as possible if your boat or motor needs repair, so we can add you to our schedule. We have access to a large assortment of marine accessories such as; pontoon/boat furniture, graphs, trolling motors, bilge pumps, etc.
